To you who are new girls in our college, we extend a most sincere and hearty welcome. We want you to feel at home in the dormitory, in the class room, in the church and in the Y. W. C. A. Perhaps the latter has meant nothing to you before your arrival at Queens; we wish it to mean much before you leave. The Y. W. C. A. is one college organization to which every girl is eligible for membership.

Last year every girl in school was a Y. W. C. A. member. We want 100 per cent membership this year, too. Won't you help us to attain that end? You will find your place in the Y. W. C. A. work as soon as you become a member. There is enough pleasant work to keep every girl busy. There is the membership committee, first of all whose duty it is to get every girl interested in the association and to become a member. This committee sees that every girl is written to during the

summer and meets them at the station when they arrive, as well as helps them to be classified. They will be glad to do anything they can for each new girl.

The Religious Meetings Committee is in charge of the "good night prayer" meetings, which are held for a few minutes in the sitting room of each hall just before room bell every night. They also arrange programs for Vesper Services Sunday nights.

The Social Service Committee tries to live up to its name by remembering those who are sick or for any cause "shut in," by writing cheering letters, sending flowers, calling and in other ways showing their interest.

The Social Department takes great pleasure in giving the girls a good time. Good times and frolics are to be enjoyed all the year. The very first night there is just a general "get together" party. Then the first Saturday night the Y. W. and student body entertain the new girls. We also hope to make the reception rooms in each hall a general gathering place, where the girls will gather around the large fireplace, toast marshmallows, sing, sew or do as they wish, just all having a good time together.

The Missionary Committee arranges for the different study classes, which meet every two weeks. They see that every girl is invited to join, and enrolled in the class of her preference.

The Under-graduate Field Representative keeps in touch with associations in the different schools, exchanging ideas and writing to headquarters for any information that is desired.

Montreat Conference.

The number of representatives sent to the Blue Ridge Conference has become so large

that part of it is held in Montreat. The same privileges are given each girl to be in the same beautiful mountains with cold nights and warm sunny days, bugle calls to days of happy companionship, earnest, open-minded study, long hikes and wholesome fun-making and simple pure worship of the Father. All of these and many more joys you will gain by attending the conference. Any girl in school may go. Plan now to attend and see the Y. W. C. A. for further information. We had a cottage this year and this increased our fun and we feel sure the girls will want it every year afterwards. Help us to keep it and at the same time enjoy your vacation to the fullest by joining us for these ten days.

THE STUDENT VOLUNTEER BAND.

The aim of this organization is to unite those who have decided to do mission work upon the Foreign Field and to further interest in this great work.

To become a member of the Student Volunteer Band a student must sign the "declaration" of the Student Volunteer Movement which reads as follows: "It is my purpose, if God permit, to become a foreign missionary."

To be a Student Volunteer does not mean that one has "pledged" herself to become a foreign missionary. It is the statement of a definite purpose, and it means that so far as the student is able to interpret God's will for her life, she believes the vocation of a foreign missionary to be God's plan for her.

The Student Government Association of Queens College, based upon a charter granted by the Faculty, has partial control of student activities. This authority is granted to the students on the condition that it be exercised with caution and with wisdom. Each student should learn to appreciate that the least disregard of the rules on her part means extra care upon her fellow students. This is the first year at Queens for the Association and much of its success is dependent upon each individual member.

TRADITIONS.

The Freshmen and Junior classes are sister classes, while the Sophomores and Seniors stand united at all times in events demanding class spirit. Generally, some social courtesies are rendered to upper-class girls by lower-classmen.

Queens College colors are light blue and dark blue. The entering class always takes the colors of the class which was graduated the previous June.

On Class Day, during commencement week, the Juniors carry a daisy chain and receive the caps and gowns which are the exclusive property of the Senior Class. After receiving these the Junior Class enjoys its annual dinner in the city.

Everyone stands during the singing of "Alma Mater."

The Edelweiss is published by the Senior Class while the Queens Blues is published by the Junior Class.

Seniors wear their caps and gowns and act as ushers on May Day.

Juniors serve at the Alumnae Banquet.

"O Mother Dear, Jerusalem," and "Ancient

of Days," are always sung as the Processional and Recessional at the Baccalaureate Sermon.

The Senior Class, upon leaving, always leaves some gift to the college.

The Sophomores decorate the stage for Class Day Exercises.

SUGGESTIONS.

Class room supplies and college novelties may be purchased at the College Book Store.

Washerwomen may be engaged on Friday afternoon. Regular price for eighteen pieces is one dollar.

Electric cars run every fifteen minutes between Queens and the Southern Railway Station at Charlotte.

Rugs, curtains, pillow and couch covers are not essential, but they will add to the attractive appearance of your room. We advise that you do not purchase your curtain material until after your arrival in Charlotte.

Tell your friends to addres your mail in care of Queens College, Charlotte, North Carolina, or you may never receive it.

A fountain pen is almost indispensable to college students.

COLLEGE SONGS.

We urge every new girl to learn these songs as soon as possible so she may be able to enter into the "Queens Spirit" as soon as she arrives on the campus.

Alma Mater.

I.

Deep within the waving forest,
Far from bustling town,
Stands our noble Alma Mater;
Proudly looks she down.

Chorus:

Sing her praises, lift her chorus
Over hill and dale!
Hail to thee, our Alma Mater!
Hail to Queens! All Hail!

II.

Deep among the fragrant pine trees
Is our college true.
There our noble Alma Mater
Proudly stands in view.

Chorus:

Hail, Queens, Hail!
Hail, Queens, Hail! Hail, Queens, Hail!
Oh college best of all the rest,
Thy praises never fail.

Our Mother and Our Queen.

I.

Oh time of happiness and youth,
  Of joyful consecration,
Of holy zeal for faith and truth,
  And love-born inspiration
When earth is clad in vernal hue,
  The skies in golden sheen—
We raise our hymn of joy to you,
  Our Mother and Our Queen.

II.

You lead from life's uncertain dawn
  To glorious day your daughters,
In golden pictures you have drawn
  The floods of living waters.
And round thy banner, blue and blue,
  A faithful host is seen,
True to their honor, true to you,
  Our Mother and Our Queen.

III.

Though roseclad hope may open wide
  The future's golden portal,
And love shall crown—a happy bride—
  Our brows with wreaths immortal;
Though all our dreams are coming true,
  Yet naught our hearts can wean,
Nor turn our grateful thoughts from you,
  Our Mother and Our Queen.

IV.

To grief and joy—as years go past—
  Points fate's unerring finger;
But changeless shall, while life will last,
  Your blessings with us linger,
Unfaltering love, like morning dew,
  Shall keep your memory green—
Our lodestar bright, we gaze on you—
  Our Mother and Our Queen.
